### LEADWOOD

Prof. J. W. Reeves and family are visiting relatives at Cape Girardeau this week.

Eugene Ham is home again, after being absent for a week at Arcadia, where he has been helping clean off the Methodist Camp grounds.

Quite a number of our citizens attended the ball game at Desloge Sunday.

There were organized five base ball teams in the different departments of the St. Joseph Lead Co. at Leadwood last week. The citizens of Leadwood may have the chance of seeing some real games of the national sport soon.

Bert Stapp and daughter were visiting relatives in St. Louis Saturday and Sunday.

Mr. and Mrs. Linn VanLear and son, Clarence, went to St. Louis Sunday, returning home Monday.

A very interesting game of base ball was played at the ball grounds last Friday between Rev. J. M. Ham's and Prof. Reeves' Sunday school classes of the Methodist Sunday school, the latter winning by the score of 18 to 16. The pitching of J. A. Evans, and the batting and all-round playing of Dock VanLear were the deciding features of the game. The folks of Leadwood don't think that Roger Hornsby, of the St. Louis Cardinals, has anything on Dock, and we might add that it might be well for some of the big league scouts to give him the once over.

Leadwood is fast getting back to where it was before the shut-down a year ago and where it justly belongs—as one of the best towns in the Lead Belt. A little more boosting and less knocking, is what the town needs.

The Leadwood brass band, under the able management of Father Cunningham, of Desloge, gave a very interesting concert last Thursday night which was well attended and appreciated. Leadwood has one of the best brass bands in Southeast Missouri, and is very often taken for Desloge's band, which was one of the best bands that was ever in the county.

Rev. J. W. Ham, of the Methodist church, preached a very interesting sermon Sunday night on the subject: "Is the Young Man, or Girl, Safe in This Country, Under the Conditions that Surround Us Today?"

W. T. (Bishop) Scott made a business trip to St. Louis last week, and took in the ball game while there.

Evans Hable of St. Louis was down a few days last week looking after his poultry farm. Evans has some very fine chickens.

Paul Jinkerson went to St. Louis last week to get work, after which he expects to locate there with his family. We regret to lose Paul as he is one of Leadwood's best citizens.

John Gier moved with his family to St. Louis last week where he expects to reside.

Sam Thompson, our popular candidate for Constable on the Democratic ticket, was in Desloge and West Elvins last week hunting votes. Mr. Thompson served this township as deputy constable a short time a few years ago, with credit to himself and to his party, and will no doubt be nominated and elected next fall.

Miss Mary Bradley of this city, has accepted a position with the Grand Leader in St. Louis.

Uncle Charley Schifferly, who has been confined to his bed for several weeks, is able to be up and around again.
